Director's Q4 2011 report for VATSIM Central Africa Division

Overview and announcements:

- VATCAF has a new division director effective January 1st, Christian Iber, former VATCAF7 staff member. Tom Mathieu and Alex Cohrs are no longer part of the VATCAF staff, but they are giving help and advices to Chris.
- Efforts are underway to begin the process of implementing the New GRP will continue until the next weeks. Especially the details of the S1 rating and the S1 solo parts have to be defined.
- Big Chart update in the first days of January by Chris Iber making all real world atc stations active for use in the whole VATCAF airspace.

Training:

Training continues to be strong in CAF. The rate of upgrade recommendations from all FIR's and vACC's has dramatically dropped in Q4.

CAF Controller Promotions:

In Q4 all VATCAF instructors and mentors did 20 training sessions and we had 3 rating upgrades.
