| Operations | Though we have appointed our Webmaster, we are still looking for candidates for other vacancies in our staff team, and we hope we can fulfill some of those vacancies in the following quarter. | | | | |
| Events | In this quarter, we have held less events than quarters before, however all of those events we held/participated were pretty successful, including World Flight 2016. Besides, this year we also organized a group flight event to encourage our member to join the WF event as we have done in the past. | | | | |
