## VATSIM ASIA REGION REPORT Q1/2017

### Executive Summary

An interesting first Quarter of year 2017, in terms of updates and changes to staff and a new FSS for VATWA Division. It is with great regret to announce that Alan Cook has resigned from VATASIA2 duties due real life commitments. Alan has worked closely with the Divisions and myself, bringing a new era for the Region since day one. A real asset and surely will be missed. VATWA FSS implementation and approval at the final stages. Regular and major events took place across the Region's Divisions. Membership and member retention receive attention at all Divisions. Members joining/transferring receive emails with information on Regional level.
