

VATSIM ASIA REGION REPORT Q1/2018

Executive Summary

VATSIM Asia is reporting a great first Quarter of 2018 , with one Division restructure, newly appointed Membership Manager on the Regional staff panel and also an increase of new members joining, in comparison to last year and previous quarter. VATSEA Division restructure, in the process of recruiting staff for key role positions, with one new appointment, Deputy Division Director position. Events are a key activity across Asia and they do take place at regular basis with the Divisions actively participating and organizing them, especially new members events “Beginner events” organized by VATJPN , VATAKOR and VATPRC. VATROC and HKvACC continue the traditional “Hong Kong – Taipei Link” event. Finally, there has been an effort the last months into developing Nepal vACC of VATWA.

Operations	ATCs are getting busier in life. Thus hard to pre schedule for events. Presently looking for solutions. Trainees tend to have no further contact after written test(got lots of failure lately with static question base. It's sad.).
