## VATSIM ASIA REGION REPORT Q1/2019

### **Executive Summary**

VATSIM Asia is reporting a stunning first quarter of 2019, with one of the biggest events to take place, “East Asia Hop 2019”, on 26<sup>th</sup> January 2019. 5 Divisions (VATJPN-VATKOR-VATPRC-VATSEA-VATROC), HKvACC and 6 airports (RJBB-RKSI-ZSPD-RCTP-ZSAM-VHHH) unite their passion to celebrate a one of a kind event! VATSEA after a time of restructure has done a big step forward adding two new staff members to its Divisional panel, including a DCRM after a long time. Also it introduces a series of events “Light Up VATSEA”, hosting different airport pairs each time. VATROC and HKvACC continue the tradition with VHHH-RCTP city hop. Moreover, HKvACC is pleased to be collaborating with the Student Air Cadet Society of the Hong Kong University of Science and Technology (HKUST) on an aviation knowledge workshop on Saturday, February 2nd. This has brought HKvACC to direct contact with the local community, as well as meet and greet with HKUST, so as local community grows even further and VATSEA/HKvACC becomes well known. VATJPN continues with online traditional nights for new members and pilots as well as increased online ATC activity with frequent events. VATKOR new director is doing great and the Division shows good online presence with events and training. VATPRC hosts an event every week, focusing on different airports each time, all members and staff has shown unity, motivation and care for the community and the Division. Finally VATWA is recruiting staff members for India vACC and VATWA Divisional panel.
