Region Report

1. New Region website will be live within the next few days.
2. The Region ATO program has suffered several setbacks due to the loss of several technical workers. The project will now be administered by Region staff, solely, to prevent further interruption. No release date is available yet.
3. The Region will be soliciting for one new member of the RCRP; the opening will be filled by a member from VATMEX.
4. The Region will begin reviewing the decrease in membership statistics; recruitment ideas and strategies will be discussed in focus groups.
